Rick's Ramblings

What's Happening

As we head into August, I wanted to update you on three areas in the life of the church. You might be interested in them, want to have a chance to ask questions, as well as to pray about them for the sake of serving in our community and in the world.

Landscaping: In Genesis, after God created the world, he called Adam and Eve to be stewards of what God has given to humanity. Our congregation has been blessed with the property that was chosen by members in the past to build the present facility. We use it to welcome all who come and know the love and grace of God in Christ. One of the ways to care for this property is to keep it as one of our strengths in ministry as changes do occur. So we must be good stewards and beautify the property to attract a larger community to our facility. In the last year, it has come to the attention of the Trustees that the water for irrigating our grass at the corner of Margarita and Rancho Vista was supplied all these years by the City of Temecula. As we know we are in the midst of a drought. All are asked to cut water consumption. This includes the City which has notified us that water to our property for that purpose will be discontinued.

The Trustees had a choice, which was either to continue to run the water pipes from up the hill down to continue to water our grass at the corner, or to look at re-landscaping to use less water and be good stewards of the limited water resources. The Trustees contacted our landscape maintenance company, Canyon Springs, asking for a plan to re-scape the corner, a strip of grass just outside the west end of the Worship Center (not the large grass area!), as well as a third strip of grass that runs along the backside of the building below the bank from the playground all the way to the garden.

The Trustees have received the plan and bid from Canyon Springs that includes drought tolerant plants and mulch. The price before rebates was \$16000, but once rebates are approved (hopefully in a month) our cost will be \$1500.

Continued on page three

Rick's Ramblings continued from page two

We will upgrade the beauty of our landscaping, make the property more attractive, plus conserve water use. If you have any questions, you can contact the Trustees through Chairperson Mark McCullough.

Imagine No Malaria: Jesus ordained his disciples to heal the sick. We are called as Jesus' disciples to offer compassion and care of those who are hurting and in need of healing. The United Methodist Church has embraced this calling and was moved to help eradicate malaria in the countries of Africa where it has been one of the leading causes of death, especially among women and children. Three years ago, the National Church took on a pledge of \$75 million to eliminate malaria. Our Annual Conference took on a pledge of \$3 million. When the campaign began, the Conference asked each church to pledge \$100 per worship attendee person. TUMC set aside a few Golden Baskets per year to contribute toward the Conference Goal. If we were to accept the Conference's original asking, our goal would be \$17,000. To date we have raised around \$3000. We will not meet the higher goal even by the extended deadline of April, 2016. To the end of being faithful to achieving our goal of \$17,000, the Mission Team has decided to designate the first Sunday of each month from now until April, 2016, to go toward the Conference's Imagine No *Malaria* campaign.

I would like invite everyone to not only pray about what gift you can offer, but how you might invite friends, family, neighbors, and co-workers to participate in this compassionate offering. Maybe you can get your employer to participate in a matching gift offering or other creative fundraiser. As a family, you can teach your children about the need and invite them to participate in offering a gift.

I want to encourage this congregation to do what it can to try and achieve our goal. Check the thermometer on the right just as you come into the Breezeway for our progress. If you have any questions or would like to arrange for a special gift, you can contact Pastor Rick.

Great Day of Service: "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine you did for me." (Matt. 25:40). On Saturday, October 10, Temecula UMC family will be joining the other Churches of our Grace Mission Area for a one-day of service at Wildomar Elementary School. Several projects have been identified to help spruce up and beautify the school. This school is one of the poorest in the Wildomar School District. Many families live below the poverty line. Besides the seven churches of our Mission Area, the PTA of Wildomar Elementary and help from the District will be joining us. There will be projects from painting, to planting, to providing needed seating. There will be something for all ages and abilities. Sun City UMC will handle the registrations, so stay tuned! Sign up either as an individual or come as a family. Lunch will be provided. Bert Bjorklund, Dan Henley, and Toby Hammett will be taking some of the lead from our church. As you know a school brings joy to all who attend when it looks beautiful and this helps motivate children to learn.

As you know, these are three major ways that we can be good stewards and faithful and generous servants of our God in Christ. Pray and be open to how God is moving you to participate in one of these projects.

Grace, Peace & Hope Pastor Rick

Twenty-two women have registered to date for the UMW annual retreat to be held at Temecula United Methodist Church.

Registration fee: \$25— includes lunch and all

Supplies.

Theme: "From Story to Glory: Parables in My Journey." All women of the church are invited to attend.

Pat Proud is an author, teacher, playwright and songwriter who lives in a world of good stories. "I wish I had been by the waterside and on the hillside with Jesus to hear the parables for the first time," Pat says. "The heavenly meanings that Jesus presents in little earthly stories not only bring us home to the heart of Jesus' teachings, but form the basis of some of our best dramas and literature."

Pat currently teaches seniors to write their memoirs through the Legacy Club writers' groups. She is also managing director of We Go Beyond Access, a local non-profit that honors businesses who show kindness to disabled people.

"My personal Mission Statement is to help people, including myself, have a deeper and richer experience of God, "Pat says.

Our UMW Retreat is a wonderful opportunity for our church to be known in the community. If you have a friend who would like to attend, please extend an invitation and sign up in the breezeway or contact Hazel Hailstone.

BLESSINGS OR BURDENS?

Interruptions can be viewed as sources of irritation or opportunities for service, as moments lost or experience gained, as time wasted or horizons widened. They can annoy us or enrich us, get under our skin or give us a shot in the arm, monopolize our minutes or spice our schedules — depending on our attitude toward them.
