## Prayers and Squares

### Our Prayer Quilt Ministry

In April of this year we applied to be an Official Chapter of the International Prayer Quilt Ministry called Prayers and Squares. We were issued our chapter number 1206, ordered some personalized labels with our church name on them, and began this exciting ministry.

We started in Room 6, but the very first meeting had to move to Room 1 as there were so many of us! The response was amazing and thrilling. In no time we had our own cupboard in the hall for supplies, which we soon outgrew. We now have 2 hall cupboards, and I wouldn't be surprised if we have to ask for another in the near future. We have had generous donations of fabric, equipment, and funds that have helped get us up and running so quickly. We also are thankful for the enthusiastic support of Pastor Rick!

In a short time Chapter 2, the Foothill United Methodist Church, adopted us, and they invited us to their next meeting. My husband, Gilbert, chauffeured Sally, Jesse, Vinya and me to the meeting. We met some wonderful women who have given away over 3,000 prayer quilts! They gave us fabric, patterns and an initial check to open a subaccount in the church account to purchase things we need such as rolls of batting. We were incredulous. We expected a warm reception, good ideas and comradery. We were extremely honored and surprised by also receiving their gifts!

Almost immediately after beginning requests started coming in, and have not let up. I joke about our sweatshop in Room 1. But really what we have is a ministry that not only inspires us but also reaches out and supports and lifts those who request and those who receive. Prayers and Squares tells everyone that it is about the prayers. The thank you notes we receive, verify this. People continually tell us that they feel the prayer power in their quilt. As of the end of September (only 5 months since the beginning), we have given away over 30 prayer quilts!

*Prayers and Squares continued from page two*

Thank you for taking time to say a prayer and tie a knot on the quilts hanging on the wonderful quilt rack built for us by Bert Bjorkland and Larry Murphy.

**Sunday, November 13<sup>th</sup>**, between services and after the second service, we will be having a special fundraising boutique with gorgeous handmade items just for you. Every one of them has been made by members of the Prayers and Squares team. The proceeds will support this ministry in purchasing large items, such as rolls of batting. Give yourself a gift and/or purchase something wonderful for Christmas presents.

Thank you for being a part of this ministry. God bless you always, Marlene Oaks

**“BIRDIES FOR BREAD”**

The tenth annual Birdies for Bread Golf Tournament concluded the evening of September 16th. The remarkable success of the event can be measured easily. It accounts for 40 percent of next year's budget for the St. Vincent de Paul food pantry at St. Catherine's. The 40% includes our monthly donations and the *Friends of the Poor* walk. The charity event was supported jointly by the TUMC MONKS in partnership with The Society of St. Vincent de Paul at St. Catherine's. **TOTAL NET PROFIT PROCEEDS for 2016: \$12,504.00 for a total of \$68,573.14 given over ten years.**

Many generous people (and 61 golfers) contributed. Dinner was served. Prizes were awarded both for skill and luck. All of these had to be solicited, collected and presented. Signs and flyers had to be produced aplenty. Pala Mesa Resort bent over backward to be helpful. Contacts were made, arms were twisted, jokes were told and there was fun had. But there was just as much single minded commitment and effort.

**Ron Moreland**, this year's chair of the event, was at the center of it all. He held the strings, connected everything, did much of the legwork himself, worried a bit, and it all came off as the wonderful thing that drew everyone's comment and deserved everyone's support and gratitude. Good job, everyone. Good job, Ron. Ron credits a great committee and the most appreciated support and assistance of his wife, Jenny, throughout the process. *Editor*

## Mission, Goals and Objectives Revisited

For the last year and a half we have been guided by the Mission Vision Objectives and Goals set at our Mission Vision Retreat in May of 2015. In setting the Objectives and Goals we were guided by our study of the *Twelve Keys to an Effective Church* by Dr. Kennon Callahan. We discovered our strengths for ministry and outreach and developed the objectives based on those strengths.

It is time to revisit our study to a) review the keys of the book to see if we have developed new strengths and b) grown toward our current strengths through the ministries we had set as our goals.

Many of the congregation didn't have a chance to participate, or if they did, they would like more clarity of the results. So, we have set up two Mission Vision Review dates, Sunday October 16, 3 – 5 P.M. and Saturday October 22, 9 – 11 A.M.

Our third date will be Saturday, October 29<sup>th</sup> from 8 a.m. to noon. Members of the congregation are invited to come and help us discover our strengths and set our Mission Vision for the next 1 – 3 years. I have a few books that can be borrowed or you can purchase the e-book through Amazon and download.

God is doing a new thing in our midst and if we embrace it, it will spring up in the life of this Church family and in our lives as we grow in our faith and walk with Jesus the Christ.

The culmination of the Stewardship Campaign will occur on Sunday, October 30th. To celebrate with grateful hearts we will worship as one church family with **one service at 10 A.M.** It will be followed with a celebration potluck. We invite all to be a part of this celebration of thanksgiving and fellowship.

## NEW MEMBER PROFILES

A very warm welcome to the following new members who joined our TUMC family on Sunday, September 18:

**Sama Beltramo** enjoys the social web, Pinterest, and Netflix. Her boyfriend recently went into Army boot camp. Daughter of Jeremy and Jeanette Frisbey, she is a student at Chaparral High where she participates in the ROTC program and choir (Rob Hodo is her choir director!). Sama helped to teach VBS this year and is a fan of Sierra Service Project.

**Clint & Diana Campbell** will celebrate 18 years of marriage on February 12, 2017. Diana was born in Wichita, Kansas where she lived for the first 42 years of her life and raised her son David, finished college and worked. She was raised in the Church of Christ and Clint was a Presbyterian. Diana enjoys singing in the choir. She is a Lady Shriner, raising money for the hospitals and making caps and surgery gowns. In the last two years she and her best friend raised \$87,000 for a mini C-Arm machine for surgery at a hospital in Los Angeles and are currently working toward an MRI machine. Clint is a native of California, born in Los Angeles and grew up in Westchester before moving to Monterey. He is retired U.S. Air Force Reserves. Clint went into the aerospace field working for General Dynamics. They moved often, alternating Methodist and Presbyterian church attendance, and were previously members of Christ Presbyterian Church in Tucson. Diana and Clint spent two years in Saudi Arabia where he worked for Raytheon in support of the Patriot Missile and for Northrup Grumman. He has a stepson, two daughters (one deceased) and four grandchildren. Diana and Clint have three dogs and Clint's cat that came home with them from Saudi.

**Jeremy and Jeanette Frisbey** come from a Navy background. They came to TUMC last December. At her former church in Libertyville, Illinois, Jeanette was president of the UMW, Sunday School Director and wrote the church newsletter. She enjoyed teaching Sunday school and being in the Praise Choir. Jeremy is originally from Waterloo, Iowa. A life-long Methodist, he joined the Navy and after his tour of duty, returned to Iowa and later rejoined the Navy. He came to Temecula area in October, 2014, while still in the Navy. Jeremy is a sports fanatic; football is a favorite.

**Larry Natwick** moved to California 34 years ago from Illinois. A retired Deputy Sheriff, he worked 12 years for General Dynamics as site director. When he left, he went to work for Sycuan Casino and Valley View Casino. He also became an EMT and Paramedic for Sequan. He currently teaches EMT and Paramedic classes. Larry is a cancer/lymphoma survivor and recently shared with our congregation the moving story of his treatment at UC Irvine Cancer Hospital and his growing faith. Larry said he moved to Hemet to "get away from everything."

**Raul "Tri" Tricoche and Xiuqiong "Ting" Wang** have been married seven years; they have a twenty-month-old daughter. Tri, of Puerto Rican ancestry, was born and raised in New Jersey and attended the Baptist church. He was interested in electronics and graduated top in his class. He joined the Navy and his first duty was Okinawa followed by Camp Pendleton. After his duty was over, Tri decided to stay and worked for Qualcomm in micro component repair. He earned a degree in engineering at San Diego State University. Tri and Ting met online and were married within a year. They attended a Chinese church but couldn't understand the language. Ting tells of having dreams about a baby born at Christmas - their daughter was born December 24. The couple moved to Temecula from Mira Mesa for better schools and have been attending TUMC since December.

**Whitney and Aaron Zolna** joined our membership on Sunday, August 7 as transfers from FUMC Warrensburg, Missouri. They have been attending TUMC over a year. Aaron is a pilot in the Air Force Reserves and Delta Airlines after serving active duty. He deployed to Turkey the middle of August. Whitney is a life-long Methodist. Whitney and Aaron met while they were both attending SMU in Dallas and have a four year old son, Walker. They have lived in Mississippi, Arizona, and Japan as well as Missouri, and have been members of Methodist churches wherever they have lived.

## TUMC Upgrade and Beautification Committee

Have you ever wanted to be part of a group that really makes a difference in the look and design of an area other than you own home? Now is your chance to do just that. On October 23<sup>rd</sup> after the second service (at approximately 11:45 a.m.) we will have our first meeting of the TUMC Upgrade and Beautification Committee.

This committee will work with members of the Trustees, Finance and the Church Council to make recommendations on the upgrading of the church property.

Do you want to see the kitchen upgraded? How about completing the hallway so it's all tile. These are just a few of the projects we will be looking at during the first meeting as well as taking ideas where you, our members, want to see our church grow.

*Continued next column*

Please stop by on Sunday October 23<sup>rd</sup> to sign up and give us your opinion on what you would like to see changed here at T.U.M.C.

## Early Response Team Training

Floods! Fires! Earthquakes and More! The news is full of disasters! Have you been feeling drawn to help the survivors of these events? Some of us remember how rewarding it was to help rebuild after hurricanes Katrina or Sandy. The United Methodist Church will train you to become a member of an Early Response Team. ERTs fill a specific need in the early days after a disaster to clean out flood-damaged homes, remove debris, place tarps on homes, and otherwise help to prevent further damage, while providing a caring facilitating presence. ERTs are not a first-response group of emergency workers, nor are they recovery, rebuild, or repair teams. Under very specific guidelines, ERTs assist survivors. Training is offered to those 18 and above. While there is no upper age limit, all participants need to be in good physical health. This training needs to be renewed every 3 years. The usual time commitment is for only 3- 5 days at each site. More days can be added if the group is needed.

Are you interested in being trained to help others? We will be offering a training at Murrieta United Methodist Church on Saturday, Nov. 5 from 8:30 to 5:30. The cost will be \$73 which includes: \$40 for Lunch and Manual, \$23 Background Check/Safe Gatherings on line class, and \$10 Optional ERT Tee Shirt. You need to go to this website to register as well as letting us know you are interested. <https://calpacumc.formstack.com/forms/erttraining>
