UMW TEA REQUEST – **The Monks have been asked to help the UMW set up the sanctuary for their upcoming tea. The date was set for April 22 (Thursday) at 6pm.**

FOURTH ANNUAL BIRDIES FOR BREAD GOLF TOURNAMENT (STEVE MINDER) – **We have chosen a date (Friday, September 10) and a venue (The Journey at Pechanga). Will formally kick off the tournament in the coming months.**

SATURDAY MORNING BREAKFAST (POSSIBILITIES) – **It was decided that going forward we would not be using the services of Eric for our breakfast on Saturdays. Eric has served us very well over the years but it was felt by the members present that we should try something new.**

A motion was made to have Steve Minder to look into having someone else cater the breakfasts. Motion was passed. Steve will look into this and present options to the planning committee.

A motion was made by Art Salyer that 2 Monks volunteer each month to fix breakfast and that the cost is donated to the Monks. Motion was passed. Steve Minder and Toby Hammett volunteered to fix breakfast in April. Art Salyer and Barry Adams volunteered to fix breakfast in May.

Toby Hammett said he would create a signup sheet for the breakfast.

NEW BUSINESS:

It has been requested that the Monks head up a swap meet to benefit the remaining building fund. It was suggested that we could have this event at public place rather than at TUMC. The planning committee will look into this further.
