Old business: Member biographies during meetings in lieu of speaker has been suggested. The men at the last meeting thought this was a good idea.

Old business:

It has been requested that the monks head up a swap meet at a public place to benefit the remaining building fund. Since the purpose of the swap meet is to raise funds for the church the planning committee decided to send this back to the council and ask that they run this event. **Church Council has set a date for September 26.**

At last month's meeting there was mention of a possible retreat. It was made known that this was an all church event, not just for the monks. It was suggested to ask Milton Takeguchi to accept this responsibility. **Milton has secured Vina de Lestonnac for our retreat on Saturday, November 13. A signed contract and non-refundable \$130 deposit has been submitted. Cost per person is projected to be approximately \$40 which included a continental breakfast, full hot lunch, and retreat handouts.**

**Motion was made and passed to take up the project of repainting and lighting the cross in front of the church. Brian Severns will chair this committee.**
