## *Holy Conferencing - What God Expects of Us: A Way towards Authentic Dialogue*

How good of a listener are you? How do you express yourself when you disagree with someone else? How do you "speak the truth" in a Christian way? These and other questions are addressed in the new: "Guidelines for Holy Conferencing." These guidelines were developed over a number of years including the Global Young People's Convocation and Legislative Assembly that met in South Africa in January 2007. Our own Annual Conference (Doris Elder and Hope Zangl, TUMC representatives) will use them in June at our meeting of the Cal-Pac Annual Conference. Read them and I think you will agree that they are good enough to use when any group gathers for decision making, even families!

Read: Colossians 3:12-16a, 17

*Every person is a child of God. Always speak respectfully. One can disagree without being disagreeable.*

*As you patiently listen and observe the behavior of others, be open to the possibility that God can change the views of any or all parties in the discussion.*

*Listen patiently before formulating responses.*

*Strive to understand the experience out of which others have arrived at their views.*

*Be careful how you express personal offense at differing opinions. Otherwise dialogue may be inhibited.*

*Accurately reflect the views of others when speaking. This is especially important when you disagree with that person.*

*Avoid using inflammatory words, derogatory names, or an excited and angry voice.*

*(Continued on page 3)*

(Continued from page 2)

*Avoid making generalizations about individuals and groups. Make your point with specific evidence and examples.*

*Remember that people are defined, ultimately, by their relationship with God—not by the flaws we discover, or think we discover, in their views and actions. We believe Christians can discuss important issues without the acrimonious debate and parliamentary maneuvering that can divide a group into contending factions. We see too many examples of that in secular society. We believe the Holy Spirit leads in all things, especially as we make decisions. We want to avoid making decisions in a fashion that leaves some feeling like winners and others like losers. We can change the world through honest conversation on matters about which we are passionate.*

Amen to that!

## *EVANGELISM COMMITTEE*

**Walk for Christ** On May 27<sup>th</sup>, 239 fliers highlighting TUMC VBS were distributed to our targeted neighborhood. Thank you to Lucy & Nicholas Kelly, Milton Takeguchi, Cheri Steele, Carol Ellefson, Gloria Galvez, Vinya Gulla, Nancy Hammett & friend for participating in the "Walk for Christ" campaign. If you would like to join us in the next "Walk for Christ", sign up in the breezeway. It's a great exercise and fellowship.

**"Coffee with the Pastor"** was held June 1st and will be scheduled again on August 3<sup>rd</sup> at 11:45 a.m. in Room 1. It's an opportunity to ask questions, take a tour of the church facility, and simply to get to know the pastor in a relaxed, informal setting.

**"New Member Classes"** will be held Sept. 7<sup>th</sup> and Sept. 14<sup>th</sup>. A sign up sheet is in the breezeway for those interested in becoming members of TUMC

**"Faith Friends"** – alias "New Member Buddies" Remember what it was like when you first joined a church. Just standing around and watching, feeling kind of alone and conspicuous, not knowing many people. Not at TUMC!!! Become a Faith Friend to new members – their new friend at TUMC by sitting with them during worship service, answering questions, inviting them to various church activities, encouraging them to get involved in the life of the church, introducing them to other members and helping them to connect with their new church family. The sooner they get connected, the less likely they are to drift away. Be part of welcoming new members by signing up or calling Jan Kerr to be a Faith Friend.

## MUSIC NOTES 2007-2008

The Chancel Choir season comes to an end on June 30th and the choir will be on summer break until September 7th.

It has been a joy to work with the choir throughout the 2007-2008 year. The dedication of each person making music for the TUMC congregation each Sunday is to be congratulated and admired, and I have certainly benefited from their dedication. Our past season included a choral festival with three other church choirs performing and joining in a mass choir presentation of a musical work by composer Robert Ray entitled, "Gospel Mass". The guest conductor was Charles Dickerson, Director of the Rolling Hills UMC. In addition to the TUMC Choir, we were joined by the Rolling Hills UMC, Murrieta UMC, and the Holman UMC Choirs. It was a great experience of fellowship in music to have over seventy voices in the presentation of "Gospel Mass".

Our Christmas and Easter season programs also featured new work for the choir to which they responded admirably.

### Chancel Choir

We have introduced some changes in the Sunday service which, I hope, has energized the worship aspect for everyone. We want everyone in TUMC to "sing when the spirit says sing, and pray when the spirit says pray" as one of the new introits urges.

Challenges still face the TUMC choir in terms of personnel.

While we have been blessed with the addition of six new members in the past year, we are still in need of basses and tenors. Alan Shaffer, Gary Gorman, and Bill Waddleton have done yeoman service, and the addition of Gary Kerr has helped, but when any one of them is unable to be in attendance, we are at a serious disadvantage. Men, we need more of you to help balance our sections.

Our new ladies are: Emily Cavazos, Nancy Hammett, Lucy Kelly, Lynn Gruber and, most recently, Nici Edmonds. Each of them has added greatly to our ability to make music. Please take a moment to thank each one of them for their service, and let them know how much you appreciate the contribution they are making to TUMC through their dedication and commitment.

Finally, not enough can be said about the consistent excellence of Corry Bell. TUMC and I are very fortunate to have a person of his skill and understanding as a fellow musician and accompanist. On Sunday, Pastor Randy announced Corry has been with TUMC six years, and has yet to miss a Sunday morning service. We are looking forward to his special concert to be presented some time in the early fall of this year.

On the last Sunday of June (June 29th), we shall have the pleasure of hearing the work of a guest artist by the name of Byron Smith, Director of the "Spirit Chorale" in Los Angeles. Byron is a vocalist, pianist, composer and arranger and his group has performed throughout Southern California and abroad. Be sure to be here on June 29th at either the 9:00 a.m. or 10:30 a.m. service to hear Byron. Our summer schedule for Sunday services will offer a variety of soloists, a quartet of local musicians and members of our congregation that I know you will enjoy. Those of you who attended the

*Continued on page 9*

*Continued from page 8*

TUMC Gala event will remember the young people who performed so artistically. Two of them will sing for us in July and August. In addition, a quartet lead by Alan Shaffer, a local youth chorale performing on youth Sundays, and individual presentations by Gary Kerr and Donna and Gary Gorman will round out the summer. The end of August will feature an instrumental focus led by Corry Bell at the piano.

If you do not attend some of these services during the summer you will miss some very special musical treats.

Thank you all again for your continuing support for the music program at TUMC.

Sincerely,

Earl Fields, Music Director

## *Say 'YES' to Scrip*

by Shirley Johnson

Thank you to those of you who support the scrip program so enthusiastically. Your dedication to this fundraiser is appreciated and you help raise needed funds for our church. Our total sales this year are less than last year and I had hoped that they would increase in 2008. Yet, the good news is that we have time to do something about it. We just need more people to use scrip and to register their grocery club cards with our church; it's as simple as that. (If you already have a grocery club card, just fill out the registration form at the scrip table any Sunday). This fundraiser helps to support all aspects of our mission here at TUMC. When I use scrip I feel great that I am helping our church in so many ways. I know others feel the same way.

If you use scrip infrequently or have never used it before, please find out how easy it is to support this great fundraiser by using some scrip. We have grocery store scrip for Albertsons, Ralphs, Smart & Final, Stater Brothers and Vons. Our very popular gas cards sell like hot cakes! We also have cards for several drug stores in our inventory including CVS, Longs and Rite Aid. Scrip for fast food restaurants are popular and we keep scrip on hand for department stores, home improvement stores and many other specialty stores too. Why not buy some scrip ahead of time for your favorite stores? Then, the next time you go shopping you'll have some scrip with you. Our gift cards also make great gifts for family and friends. Most of the restaurants give us a very generous donation when we use their scrip; the range is from 10% up to 18% earnings. If several families would make a new commitment to use scrip, we would see a huge difference in the success of "our" fundraising program.

This is "our" all-church fundraiser and we all need to support it. Please choose to participate in some way. Whether you just use grocery scrip or perhaps you'd rather use scrip for your favorite restaurants, or both, that's up to you. This fundraiser is like no other. There is no cost to participate. All you do is exchange your money for a gift card or certificate and go shopping. It's that easy! Thanks for saying "Yes" to Scrip!
