**Rick’s Ramblings**

**For Such a Time as This**

There are three important opportunities that will be taking place for us as God’s family at Temecula United Methodist congregation. We can embrace such opportunities in such a time as this to bring hope, help, joy and total openness for the people of our community. I want to share these with each of you and pray that we may join to live out our calling to be in this place at this time in the love of Christ.

**MOVING FORWARD WITH OUR MISSION/  
 MINISTRY/PROGRAM GOALS**

Let me share with you that we have had the opportunity to take a survey to help select three goals for our church family to embrace and take action upon in the coming year. The top three that have emerged are:

1. Develop a mission. It will have to be planned, brought forward, and lived out.
2. Develop a contemporary service (alternative style to what we are experiencing currently) to be planned and developed for the Fifth Sundays.
3. To have more adult fellowship opportunities for gatherings and groupings.

The other two possibilities will not be dropped. These may blossom as people with passion and excitement for them emerge. These two are:

1. Plan and bring to fruition at least one major music event.
2. Develop an outreach transportation system. This latter would be used to pick up persons that we reach out to beyond our church family such as young mothers and their children being served at Rancho Damacitas.

*Continued on page 3*

## Rick's Ramblings *continued*

The Church Council will begin at its May meeting to identify and delegate the teams, task forces, or committees that would take on the development of these goals and set the objectives to make them happen.

If you are passionate or excited about any one of these, and would like to be a part of making them happen, please contact Toby Hammett, Chair of our Church Council. When we do these well, we will be helping and bringing hope and love to our church family and community.

### KITCHEN, HILLSIDE, BATHROOM RENOVATION

After over a year of discussing, getting input, and receiving bids, the Trustees and our Congregation have voted to move forward and begin this July upgrading and renovating the following three areas. When complete, we will have a more accessible, welcoming space that will help support our ministries and programs. This will also help as we look to offer space for other groups that can help support our financial resources.

The first of three areas to be renovated is what is now the bathroom off the Nursery and Sunday School office. There will be a door created off the hallway that will allow access to what will become a family bathroom. This will allow those who have spouses in need of help or parents who need to tend to their children to have a private bathroom to care for their family members. There will still be access for those caring for our very young in the nursery. This phase was approved by the Trustees to be accomplished with Building Fund money.

The second area will be the Hillside Room. This will be minimal in cost. New flooring, painting and window covering will allow a cool space during the summer and the ability to do projection for groups meeting in this room.

The third and most extensive renovation will be the kitchen. It is over 20 years old. The layout will be basically the same, but we will have new cabinets with quartz counter tops, new appliances and more storage, new flooring, and painting.

*Continued on next column*

The total cost for the kitchen renovation will be \$69,300. Much discussion took place during our church conference and there was some concern about securing our financial future and our ability to continue to carry on with our ministries and programs while taking on a financial investment of this proportion. The leadership team will be asking all in our church family to make a generous gift in the next few months towards the completion of the kitchen project. **I invite you to support this project by giving to the church and marking in the memo or on the envelope "RENOVATION" and your gift will go through the Schwab Investment Account to be used for the renovation.**

### TO BE A TOTALLY OPEN AND INCLUSIVE CONGREGATION

Over the last several months there has been debate and decisions made and a ruling on those decisions on how the United Methodist Church will minister and embrace the LBGTOIA people and community. The ruling has not only affirmed the current law in the Book of Discipline of our denomination, but in some ways made the response harsher for those called to serve all people in ministry as clergy. Since the General Conference, our Judicial Council (The Church's Supreme Court) has struck down much of the new amendment to the Book of Discipline on this matter but upheld some key parts that will make it harder for clergy to serve fully to this community. This results in exclusion for many to live within our church families in a loving and caring environment.

Many in our congregation have asked where do we stand, what is our response, how will we move forward to fully live out "Open Hearts, Open Minds, Open Doors"? Upon my return in the month of July we will have a number of opportunities to begin round table discussions to tell our stories, pray for God's direction for our lives as individuals and as a Church family and as we look to be totally inclusive in offering the Love and embrace of God. This means all receiving the same ministry and care from their pastor called for by following in the way of Christ. Look for announcements in the bulletin and July *Messenger* for the dates and times.

## **THANK YOU to Ron Moreland , Event Coordinator, for the May 4th Celebrating Our First Responders event.**

The event drew a noteworthy crowd thanks to many volunteers and the presence of many active duty First Responders and event attendees. The Mercy Air Ambulance helicopter landed on the lawn followed by equipment from the Temecula Police Department, San Diego Police Department, Temecula Fire and Rescue Department, American Medical Response, Cal Fire, San Pasqual Reservation Fire Department and California Highway Patrol. All vehicles and the helicopter were on display for all to view up close before and after the event. The music by performers from San Diego Law Enforcement Emerald Society Pipes and Drums and soloists/musicians Earl Fields, Audrey Grier, Paul and Danielle Ellingson and the Temecula Valley Master Chorale Ensemble flowed over our shoulders and brought some to tears. Several local official speakers, including Councilman Matt Rahn, city/county/state proclamations, the keynote speaker, Dennis Ginoza, plus local girl scouts (including Troop 326) and the Chaparral Navy Jr. ROTC all added to the event. Miller-Jones Mortuary sponsored this event, including the tri-tip lunch. **We couldn't have enjoyed this level of success without the able assistance of Pastor Rick's dedicated hard work and Larry Natwick procuring the helicopter and all other fire equipment vehicles.** The other committee members including Mark and Monica, Larry Messersmith, and Dora Guereca were equal contributors in providing police vehicles and personnel, event photography, and sponsor contributions.

## Rick's Ramblings continued

All three of these opportunities, to serve, to improve, and to care for ourselves and the people of our community and our church family will ask change of us. Change is not necessarily easy but requires us to move beyond our comfort zones, expand our faith and relationship with God in Christ, and be responsible as a people of faith to treat every one as we would want to be treated.

I believe that for us to grow as a whole, healthy congregation, we will need to move together as a family of God to serve to accomplish our goals, support our ministries by improving our facilities, and expand our openness by being radically welcoming and inclusive of all.

Peace & Grace

*Pastor Rick*

## NEW MEMBER PROFILES

**Marie Orillion** is a Resource Specialist at Perris Elementary School District working with K-6 students with mild disabilities. Prior to this, she worked at the University of California for over 25 years, with the last several years being as an academic administrator in the UCR Graduate School of Education. After the intensity of the “publish or perish” life of an academic, she considers her current work to be a retirement career. She is passionate about music and enjoys singing in the Temecula Valley Master Chorale and the TUMC church choir. When she isn't singing or teaching, she enjoys gardening and hiking.

**Kyle Hotchkiss** was born in San Diego, and raised in Anza. He has lived in Julian and Lake Henshaw before moving to Anza at the age of 6 with his family. He attended high school in Anza and attended college in El Cajon while living in east county for 2 years. Five years ago, after 20 years in the Mormon church, he left on a faith journey and found TUMC. He works as a caregiver for a dementia care center; his career goal is in social services. Kyle finds enjoyment in hobbies, piano, backpacking and camping.

**Debbie Barba** is a retired elementary vocal music teacher, K-6, from the following school districts: Torrance, Hermosa Beach, and finally Solana Beach. Her children's choirs have won numerous awards and she was named the Los Angeles County Music Educator of the Year before moving south. She was raised in La Mesa, where her mom still lives, and graduated from USC earning a music degree and two teaching credentials. Debbie joined Riviera United Methodist Church 30 years ago where she raised her family in Redondo Beach/Torrance, and met Pastor Rick and Sally five years later when he was an associate pastor in the mid-1990's there. She transfers her membership from Rolling Hills Methodist Church where she served as Handbell Choir Director for five years before moving to the San Diego area to take her last Music Educator job. Debbie is an avid tennis player but has a deep passion for music as she plays classical flute and piano. Debbie is very happy to find her 3rd and final church home. She professes, “I just have a Methodist soul.”

## CELEBRATING ROB HODO'S MUSIC MINISTRY

On Sunday, June 30, the Staff Parish Relations Committee looks forward to Celebrating Rob Hodo's many years of service to the church and his memorable contributions to the music program. Both Rob and his wife, Robyn, have been most instrumental in bringing joy and enlightenment to all of us through song and verse. Hope you will join us in celebrating their years of service to our church.

This will also be Rob Hodo's last Sunday as Music Director. Rob assumed his position as Choir Director February 1, 2012. A reception in celebration of Rob's music ministry will follow worship on June 30th for Rob and Robyn.

## To the Congregation

“On behalf of Pete Benway, my father, I wish to express my gratitude. Thank you all for sending cards throughout the year. My Dad's face lights up seeing and hearing the nice messages you sent. He misses this church, but is grateful he can be connected through correspondence.”

*God Bless,  
Kim Uskokovc*
