RICK'S RAMBLINGS

REVISITING OUR VISION

The prophet Isaiah shared these words of God to the Israelites who were in exile: "Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it?"

In the early spring of 2015, we began the study of Dr. Kennon Callahan's book *Twelve Keys to an Effective Church: Strong Healthy Congregations Living in the Grace of God*. In May of 2015, a group of church folks gathered for a single morning retreat to review the results of that study, to discover our key strengths, and to set a few objectives and goals to grow those strengths and to add new ones later.

Let me share these with those who have not had a chance to read the book or who don't remember the 12 Keys. Let me also share with you our key strengths as discovered through our study.

1. One Mission Outreach
2. Shepherding Visitation
3. Stirring, Helpful Worship
4. Significant Relational Groupings
5. Strong Leadership Team
6. Solid Decision Process
7. Competent Programs and Activities
8. Open Accessibility
9. High Visibility
10. Land, Landscaping, and Parking
11. Adequate Space and Facilities
12. Generous Giving

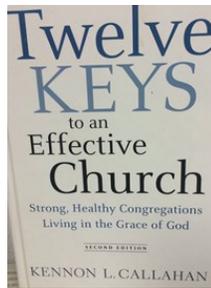

The first six keys are relational Keys. The second six are functional Keys. We identified as our top two Keys, (scoring an 8, 9 or 10 in a scale of 1-10): #10, Adequate Parking, Land and Landscaping, and #11 Adequate Space and Facilities. Those keys scoring just below these were the ones we have strengthened in the last year and a half. These are: #3 Worship, #4 Significant Relational Groups, and #8 Open Accessibility.

Continued on page 3

Rick's Ramblings continued from page two

You might be wondering why I am sharing this with you in my Ramblings. Part of the leadership of the Church Council is to facilitate and keep track of how we are progressing on our key strengths for which objectives and goals were set. And to move forward it was decided it was time to review in order to assess and develop new objectives and goals. We will take time in this review to examine our present goals and to evaluate how we have progressed. We have discovered other goals that have grown into one of our new strengths and we can finally develop these into new goals and objectives.

We will be doing a review of the *Twelve Keys* book and recheck our scoring to help us in this process. This will be a good time for those who were a part of the first study to use the wisdom already developed in this process along with our observations over the last year and a half. Also, those who are new since we did the study or did not get a chance to do the study should come to be a part of the process.

SAVE THESE DATES

We have set up two Mission Vision Review dates, **Sunday, October 16th, from 3–5 p.m.** and **Saturday, October 22nd, 9 – 11 a.m.**, Our third date will be **Saturday, October 29th, from 8 a.m. to noon** when members of the congregation are invited to come and help us discover our strengths and set our Mission Vision for the next 1 – 3 years. I have a few copies of *Twelve Keys to an Effective Church* that can be borrowed or you can purchase the e-book through Amazon download.

God is doing a new thing in our midst. If we embrace it, the life of this church family as well as our lives will spring up. We shall grow in our faith and walk with Jesus the Christ.

Grace, Peace & Hope

We hope this giving option helps in your faithful stewardship to the church's ministry and missions. If you have any question, contact Bret Argenbright.

GREEN TIPS

Washing your clothes in cold or warm instead of hot water can save as much as 500 pounds of carbon dioxide per year. ... Replacing one incandescent lightbulb with a compact fluorescent light can save 150 pounds of carbon dioxide per year.

As if we didn't know -

Global mean temperatures in July 2016 were the warmest on record not just for July, but for any month dating to the late 1800s, according to four separate newly-released analyses. A state of the climate report issued by NOAA recently said that July 2016 was Earth's warmest month in records to 1880.

YOUTH CONFIRMATION

[What is confirmation? Who is this for? Why should I attend? When will this happen?](#)

These are some questions you and your parents might have. First, Confirmation is a time for youth to explore their faith, the Bible, and learn about Christ's Church and the United Methodist Church. It is a time to understand your relationship with God, with one another and others in the world. This is a chance for you to say "yes" to be a member of Temecula United Methodist Church. You can answer for yourself what was answered for you by your parents at your baptism. If you haven't been baptized, no worries. This can happen on the day of Confirmation.

Confirmation is time for youth 6th to 10th grade and other youth who have not been confirmed. It is a time of being intentional about learning about your faith.

Pastor Rick is going to have confirmation classes beginning Sunday, September 11th, at 12:00 p.m. in Room 6. This will happen a number of times with field and mission trips culminating in Confirmation Sunday in November. Classes will be Sundays after Church. Field and mission trips will vary depending on the activity and location of the visit. Contact Pastor Rick.

YOUTH SUNDAY SCHOOL

Don't forget Youth Sunday School every Sunday except the third Sunday of the month when youth serve in worship.

CHANGE

The one constant in life is that it is always changing. Are you experiencing life changes...empty nest, moving, new baby, new job? Change can be wonderful, exciting and fun, but it can also be overwhelming! Sometimes all you need is someone to listen! Stephen Ministers are not going to judge you or your situation. They are caring people who listen to you, pray for you and walk beside you. "Stephen Ministers are God's ears, shoulder, and hugs here on Earth." Contact Judy Hernandez or Pastor Rick.

SCRIP UPDATE

Do you want to support the Scrip Program but don't like to buy gift cards? Here's four ways you can support the program without purchasing the gift cards, but we will miss visiting with you at the Scrip table!

- **Ralphs** supports us by rebating back a percentage of purchases. However, all participants, even ones that have registered before have to register for the new term online at www.ralphs.com or by calling 800-443-4438 starting September 1, 2016. Even if you registered as recently as June, July or August 2016, you are required to register again beginning September 1st.

- **Food 4 Less** also supports us by rebating back a percentage of purchases. If you are already enrolled AND have used either your Community Rewards Card and/or Fuel Rewards Card at the register in the last six months, your participation will continue through August 31, 2017. **If you haven't registered or used your Community Rewards Card,** you can create an online account. Visit www.food4less.com and sign up to support TUMC. While online, it's a wonderful opportunity to learn about all the savings they offer.
- Amazon now has a program called AmazonSmile; use <https://smile.amazon.com/ch/33-0295825> and Amazon will donate .05% to TUMC. You can increase your Amazon donation by stopping by the Scrip table and purchasing Scrip too!
- UMCmarket.org is another source that donates to TUMC based on purchases made through the website from many online stores, hotels, car rentals etc. There is an easy "Support Button" that you can copy to your web browser to remind you to support TUMC when you access a participating vendor's website.
